

CAMP ODAYIN

FAMILY CAMP

Please Join Us for the 7th Annual Fall Family Camp!

Family Camp is an opportunity for parents and siblings to join in on the fun of Camp Odayin. Come learn those silly songs your special heart child comes home from camp singing, play a little dress up on our theme nights and enjoy the beauty of autumn trees along the St. Croix River. Family Camp begins in the afternoon on Friday, October 22nd and ends mid-day on Sunday, October 24th. Camp is held just 20 minutes from St. Paul, MN at Camp St. Croix in Hudson, WI. Family Camp gives campers who have attended Odayin a chance to share the camp experience with their families and can provide a nice introduction to camp for future Odayin campers. It's also a great way to spend time with your kids and meet other families whose lives have been affected by heart disease. The weekend program offers a broad range of activities for all ages and educational opportunities for parents, siblings, and campers. Each evening includes a special program designed for the entire family that is sure to create fabulous memories and lots of laughs.

There is no minimum age for children, but families with camp-aged (6-17) children with heart disease will be given priority in registering. Several of our key staff members will be at Family Camp to assist in activities, but parents are responsible for the supervision of their own children. The Family Camp fee is \$25 per person (anyone two and under is free). This fee covers the entire Family Camp session and includes all regular activities and meals.

Folks often have questions about the accommodations at Family Camp. Our host camp, Camp St. Croix, describes the housing as "rustic, simple cabins available year round, a centrally located bathhouse provides hot showers, and restrooms nearby". The cabins sleep twelve, therefore families share cabins in order to allow us to accommodate as many families as possible. In the second set of forms, we welcome requests to stay with a particular family. For families who do not request another family, we do our best to pair together families with children close in age. Visit the Camp St. Croix website for more information about the location and lodging (www.campstcroix.org).

Registrations will be accepted until October 8th, 2010, but you are encouraged to register early. This year, you may submit the registration form below or register online at www.campodayin.org/family_camp.htm. A complete packet with directions, a packing list and a schedule of events will be sent to registrants in late September.

We hope you will join us for Camp Odayin's seventh year of Family Camp fun!

Sincerely,
Sara, Alison, and Matt
